

S SYNTHTURBO Ultra 20W50 TBN-16

Description	<p>A newly developed diesel engine oil, formulated with solvent refined base oils and a well-balanced choice of additives. This engine oil has the following properties:</p> <ul style="list-style-type: none"> - a very powerful detergency prevents deposits in the engine - a very strong dispersion that prevents from precipitation and sludge - a powerful activity against corrosion and foam - a high and stable viscosity index - a powerful activity against wear resulting in strongly reduced wear of piston-rings and cylinder-liners. 	
Application	<p>This Ultra Long Life engine lubricant is applicable to diesel engines (normally- or turbo-aspirated) even under tough operating conditions and all the year round. This engine oil has a special additive system and may therefore be used, when fuels with relatively high sulphur contents are involved. This product is suitable for application in Euro 4 and Euro 5 engines.</p>
